The Mid-Atlantic's Largest C-Store Expo and Trade Show

10th Annual MACS Expo Returns to Richmond *Country's Fastest Growing C-Store Expo*

Richmond, VA: Small business owners, mark your calendars for September 23rd, 2021. The Mid-Atlantic Convenience Store Expo (MACS) is returning to Richmond at Richmond International Raceway (RIR).

130+ vendors are exhibiting at this year's Expo. MACS enables small business owners an opportunity to work with vendors outside of the setting of their day to day operations. For many, this represents an opportunity to cut through the corporate structure and speak to decision-makers in vendor organizations.

"It's exciting to have proven to the industry that small store owners matter. This is our 10th year of double digit growth in exhibitor and attendee growth," said event host and Virginia Asian American Store Owner's Association (VAASOA) Chairman, Minesh Patel. "This proves to the vendor community the big box retailers and store are not the only avenue to grow sales."

"Many vendors have been repeat exhibitors over the last 10 years," said Patel. "Through these ongoing relationships, VAASOA has engaged in major money saving programs for membership. These are programs that small stores simply don't have access to due to volume and to be frank, time to pursue contracts with vendors."

This year's Expo features, 150+ vendor booths, 7,600 invitees, and buffet lunch featuring Indian and American food at 12pm. Online registration is encouraged to avoid long lines at the walk up registration. The event starts at 10 AM Thursday September 23, 2021 at RIR.

MACS is hosted by VAASOA. VAASOA is the Virginia chapter of the larger Asian American Store Owner's Association (AASOA). For more information on the Expo or VAASOA, visit www.vaaasoa.com.

SMORSTIX's creators wanted their children to enjoy the outdoors and have fun roasting marshmallows. But finding the perfect marshmallow roasting stix isn't always easy or safe. Very often, sticks are scarce, dirty, too short, in a patch of poison ivy, or in a thorny briar patch. Campers often trample underbrush and damage trees and forests in their search. Made of 100% untreated hardwood without any additives, dirt or grime. They are Clean, safe and natural.

www.deq.virginia.gov

DEQ is the environmental agency in the Commonwealth of Virginia responsible for administering laws and regulations related to air quality, water quality, water supply, renewable energy and land protection. DEQ issues permits, conducts monitoring and inspections, and enforces the law. Virginia's abundant natural resources provide a rich environment for people, plants and wildlife...and benefit agriculture, industry, commerce and economic development. To ensure the continued vitality of these precious and valuable resources, DEQ carries out its mission to protect and improve the environment for the health, well-being and quality of life of all Virginians.
