## 12<sup>th</sup> Annual MACS Expo Returns to Richmond *Country's Fastest Growing C-Store Expo*

**Richmond, VA:** Small business owners, mark your calendars for September 21<sup>st</sup>, 2023. The Mid-Atlantic Convenience Store Expo (MACS) is returning to Richmond at Richmond International Raceway (RIR).

170+ vendors are exhibiting at this year's Expo. MACS enables small business owners an opportunity to work with vendors outside of the setting of their day to day operations. For many, this represents an opportunity to cut through the corporate structure and speak to decision-makers in vendor organizations.

"It's exciting to have proven to the industry that small store owners matter. This is our 12<sup>th</sup> year of double digit growth in exhibitor and attendee growth," said event host and Virginia Asian American Store Owner's Association (VAASOA) Chairman, Minesh Patel. "This proves to the vendor community the big box retailers and store are not the only avenue to grow sales."

"Many vendors have been repeat exhibitors over the last 12 years," said Patel. "Through these ongoing relationships, VAASOA has engaged in major money saving programs for membership. These are programs that small stores simply don't have access to due to volume and to be frank, time to pursue contracts with vendors."

This year's Expo features 170+ vendor booths, 10,000 invitees, and buffet lunch featuring Indian and American food at 12pm. Online registration is encouraged to avoid long lines at the walk up registration. The event starts at 11 AM Thursday September 21, 2023 at RIR.

MACS is hosted by VAASOA. VAASOA is the Virginia chapter of the larger Asian American Store Owner's Association (AASOA). For more information on the Expo or VAASOA, visit [www.vaaasoa.com](http://www.vaaasoa.com).

LottoShield has launched a revolutionary new lottery tracking system that eliminates the manual, time-intensive process of lottery reconciliation and provides retailers with strong protection from all kinds of lottery theft. The LottoShield scanner allows cashiers to audit inventory in just seconds, without entering ticket or bin numbers manually. LottoShield is also the only system that automatically tracks your invoices and reports from the state lottery to monitor confirmed packs, activations, online lotto sales, payouts, and more. In less than a year, LottoShield has been adopted by hundreds of retailers across the US ranging from single-site operators to 250+ site chains.
